

# Nattokinase Made Easy

Turnkey, Plant-Based Softgels with NSK-SD<sup>®</sup>,  
the Gold Standard in Nattokinase

Nattokinase is a well-researched enzyme for cardiovascular health—but it's also fragile, easily degraded by heat, moisture, and processing. That makes ensuring consistent potency in finished products a challenge.

**We've got your back.** Soft Gel Technologies' NattoGold softgels take the worry and hassle out of manufacturing a nattokinase supplement. Each once-daily vegetarian softgel delivers 1,000 FU of nattokinase activity from NSK-SD<sup>®</sup>—the only nattokinase with its own published safety, efficacy, and identity data—in a base of plant oils and beeswax. Vitamin E and turmeric extract are added to protect the oil matrix against oxidation.

## Advantages

- **Science Backed:** Features NSK-SD—the most researched nattokinase ingredient, backed by over 20 human clinical trials
- **Expertly Made:** Manufactured by Soft Gel Technologies, the leaders in softgel production
- **Plant-Based:** Delivered in innovative plant-based softgels made from pea starch that match—and even exceed—the performance of traditional animal-derived softgels

## Benefits

Helps maintain:

- Healthy blood pressure already in a normal range\*
- Healthy circulation\*
- Cardiovascular health\*
- A healthy immune system\*

\* This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

TECHNOLOGIES, INC.

## Why Soft Gel Technologies?

### Unmatched Expertise:

Driving innovation for 30+ years with 32 U.S. patents in bioavailability, dissolution, and stability

### World-Class Facility:

Delivering quality through our cGMP-certified plant with precision blending and encapsulation equipment

### In-House Laboratory:

Ensuring integrity by testing at every stage, from raw materials to finished products

### Collaborative Support:

Providing formulation help, premium sourcing, and real-time stability data

### Commitment to Transparency:

Building trust by inviting audits and sharing records, COAs, and QC results

Product Code: CA-CC00890V  
Product Description: NATTOGOLD
