

Launching Soon

CoQH-CF™ with STGaia®

Enhancing Longevity through
Mitochondrial Efficiency
and Cellular Energy.

Injuv® with STGaia®

Targeting Visible and
Non-Visible Signs of Aging.

STGaia®
Ingredient of the Year
Healthy Aging

Three innovative ingredients are joining forces — designed to meet the rising demand for advanced, science-backed wellness solutions.

CoQH-CF™

Optimized CoQ₁₀ performance for modern formulations.

Injuv®

Clinically studied hyaluronic acid for beauty-from-within support.

STGaia®

STGaia® is a novel first-in-the-market, proprietary, palm-based phytonutrient extract that integrates two key bioactive compounds — natural plant squalene and full-spectrum tocotrienols/tocopherol.
