

All the Omega-3, None of the Fish

Our New PlantOmega™ Softgels are Protected,
Pure, and Ready to Go.

More and more, consumers are turning towards algae to get their omega-3s. But just like marine oils, algal oil is very sensitive to oxidation—requiring protection from air and heat to prevent spoilage.

We've got quality down pat. Soft Gel Technologies' PlantOmega softgels go to extraordinary lengths to protect the algal oil inside, so they're exceptionally fresh. And because the algae is cultivated in controlled fermentation tanks, it is free from ocean contaminants. Each once-daily vegan softgel delivers 300 mg EPA + 200 mg DHA—meeting the 450–500 mg per day recommended by the Dietary Guidelines for Americans.

Advantages

- **Exceedingly Fresh:** Very low TOTOX value, the key measure of oxidation in oils
- **Superior Stability:** Remains stable 2.75x longer than standard algal oil stabilized with tocopherols (Rancimat test)
- **Clean Taste:** Minimal taste and odor, making it ideal for those who dislike fish oil
- **Kind to the Earth:** Derived from microalgae, a renewable resource
- **Guaranteed Pure:** Tank-cultivated, extracted without solvents, and free from heavy metals and marine pollutants
- **Expertly Made:** Manufactured by Soft Gel Technologies, leaders in softgel production
- **Plant-Based Inside and Out:** Made from microalgae and delivered in innovative plant-based softgels made from pea starch

Why Soft Gel Technologies?

Unmatched Expertise:

Driving innovation for 30+ years with 32 U.S. patents in bioavailability, dissolution, and stability

World-Class Facility:

Delivering quality through our cGMP-certified plant with precision blending and encapsulation equipment

In-House Laboratory:

Ensuring integrity by testing at every stage, from raw materials to finished products

Collaborative Support:

Providing formulation help, premium sourcing, and real-time stability data

Commitment to Transparency:

Building trust by inviting audits and sharing records, COAs, and QC results

Product Code: CA-CC00522V
Product Description: PLANTOMEGA™ (300/200 TG)

Supplement Facts

Serving Size: Per 1 Softgel (1339.00 mg)

	Amount Per Serving	Calories	% Daily Value*
